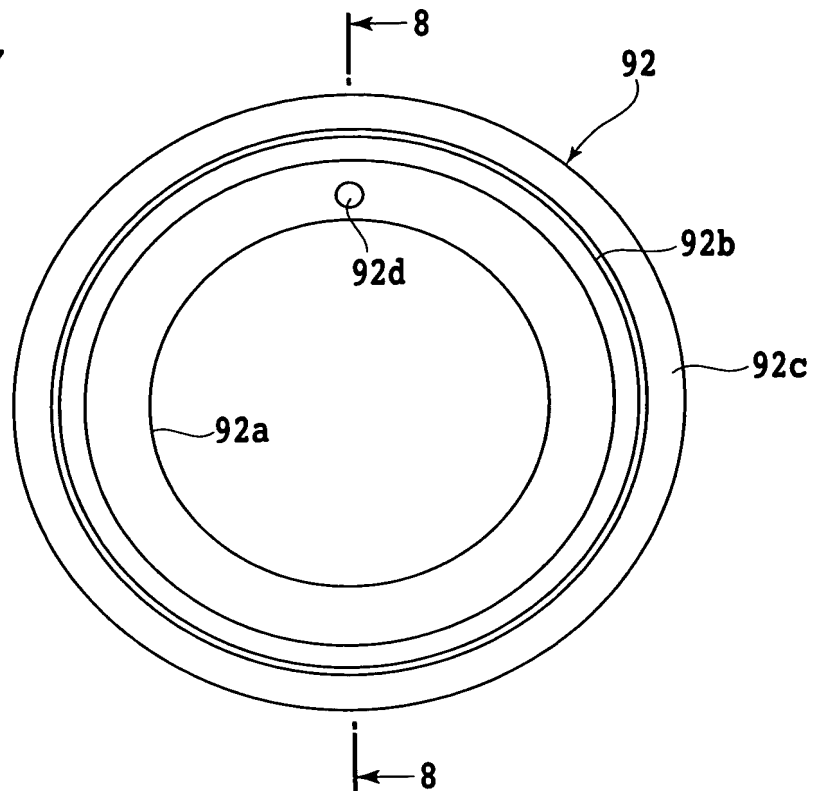

FIG. 8

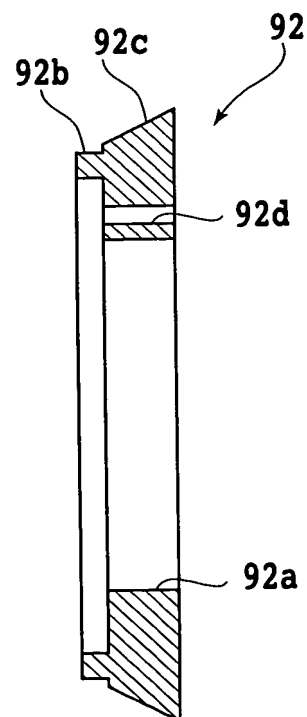

FIG. 1 is a schematic diagram of a circular device 10. The device 10 is shown in cross-section, revealing a central circular region and an outer ring 102. The outer ring 102 is divided into six segments 102a by radial dividers. A dashed line with an arrow labeled 10 points to the center of the device, and another dashed line with an arrow labeled 10 points to the outer ring 102.
